

Job Title: CNC Machinist

Are you passionate about precision engineering and cutting-edge manufacturing technologies? Do you thrive in a dynamic and innovative work environment? If so, we have an exciting opportunity for you to join our exceptional team at Freeform Technology as a CNC Machinist.

Company Overview: Freeform Technology is a leading manufacturer of high-quality composite patterns, moulds, tooling and components using state-of-the-art CNC machining techniques. With a strong commitment to innovation and continuous improvement, we pride ourselves on delivering exceptional products to our clients in various industries, including aerospace, automotive, and medical.

At Freeform Technology, we foster a culture of excellence, collaboration, and personal growth. Our talented and diverse team comprises highly skilled professionals who are passionate about their work. We encourage creativity and initiative, providing an environment where everyone's contributions are valued and recognized.

Job Description: As a CNC Machinist at Freeform Technology, you will play a crucial role in the production process, utilizing your expertise to set up and operate computer numerical control (CNC) machines. Your primary responsibilities will include:

- Setting up and operating CNC machines to produce precision components according to technical specifications.
- Conducting quality checks to ensure accuracy and compliance with engineering drawings.
- Troubleshooting and resolving machining issues to maintain optimal productivity.
- Collaborating with engineers and designers to optimize machining processes and improve efficiency.
- Adhering to safety guidelines and maintaining a clean and organized work area.
- Participating in continuous improvement initiatives to enhance machining techniques and processes.

Requirements:

- College diploma or equivalent; technical certifications in CNC machining are preferred.
- Time-served apprenticeship in Engineering would be favourable.
- Proven experience as a CNC Machinist, with expertise in setting up and operating CNC machines.
- Strong knowledge of machining principles, tooling, and materials.
- Proficient in interpreting technical drawings, specifications, and quality standards.
- Excellent attention to detail and the ability to work with tight tolerances.
- Strong problem-solving skills and the ability to troubleshoot machining issues.
- Effective communication skills and the ability to work collaboratively in a team environment.
- Commitment to maintaining a safe and organized work environment.

Benefits: Freeform Technology is proud to offer a comprehensive benefits package that includes:

- Competitive salary commensurate with experience and expertise.
- Health and dental insurance plans.
- Retirement savings plan with company matching.
- Paid time off and holiday pay.
- Ongoing training and professional development opportunities.
- A supportive and inclusive work environment.

Why Join Freeform Technology?

- **Cutting-edge projects:** Be part of a team that works on innovative projects at the forefront of advanced manufacturing.
- **Collaborative environment:** Work alongside talented professionals who are passionate about their craft and eager to share knowledge and ideas.
- **Career growth opportunities:** Freeform Technology is committed to fostering the professional development of its employees. We provide training programs and mentorship opportunities to help you excel in your role.
- **State-of-the-art facilities:** Access to modern equipment and tools that enable you to achieve the highest level of craftsmanship.
- **Competitive compensation and benefits package:** We offer a competitive salary, comprehensive health benefits, and other perks to reward your dedication and contributions.

Join Freeform Technology and be part of a forward-thinking company that encourages innovation, collaboration, and personal growth. Your expertise and passion for CNC machining will contribute to our continued success as a leader in the precision engineering industry.

To apply, please submit your CV and a cover letter outlining your relevant experience and why you are interested in joining Freeform Technology to enquiries@freeformtechnology.co.uk. We look forward to reviewing your application and potentially welcoming you to our exceptional team!

Note: Only candidates selected for an interview will be contacted. All applications will be treated with strict confidentiality.

Freeform Technology is an equal opportunity employer. We celebrate diversity and are committed to creating an inclusive environment for all employees.
