

Job Title: Pattern Finisher at Freeform Technology

Are you a highly skilled and detail-oriented individual with a passion for craftsmanship? Do you have a keen eye for detail and an exceptional ability to bring patterns to life? If so, Freeform Technology is looking for you! We are seeking a talented Pattern Finisher to join our dynamic team and contribute to our cutting-edge projects.

Company Overview: At Freeform Technology, we are pioneers in the field of advanced manufacturing and design. We specialize in creating complex patterns for a wide range of industries, including aerospace, automotive, motorsport, and more. Our commitment to pushing the boundaries of innovation has earned us a reputation as a leader in our industry. As a member of our team, you'll have the opportunity to work on exciting projects, collaborate with talented professionals, and make a real impact on the future of manufacturing.

Position Overview: As a Pattern Finisher, you will play a crucial role in the final stages of our pattern production process. You will be responsible for applying finishing touches, ensuring that the patterns meet the highest standards of quality and precision. Your exceptional dexterity and meticulous attention to detail will be essential in achieving flawless results. This is a hands-on role that requires both technical expertise and artistic sensibility.

Responsibilities:

- Perform intricate pattern finishing work, including sanding, polishing, and cleaning.
- Inspect patterns for any imperfections and make necessary adjustments to achieve a flawless finish.
- Collaborate closely with our design and manufacturing teams to ensure patterns meet specifications.
- Assist in blocking up material
- Maintain a clean and organized workspace, following safety protocols and best practices.
- Continuously seek opportunities for process improvement and contribute to enhancing our pattern finishing techniques.

Requirements:

- Proven experience as a Pattern Finisher or similar role, with a strong portfolio showcasing your craftsmanship.
- Exceptional manual dexterity and hand-eye coordination.
- Meticulous attention to detail and a strong aesthetic sense.
- Familiarity with various finishing techniques, such as sanding, polishing, and painting.
- Ability to work independently and meet tight deadlines.
- Strong communication and teamwork skills.

Benefits: Freeform Technology is proud to offer a comprehensive benefits package that includes:

- Competitive salary commensurate with experience and expertise.

- Health and dental insurance plans.
- Retirement savings plan with company matching.
- Paid time off and holiday pay.
- Ongoing training and professional development opportunities.
- A supportive and inclusive work environment that values work-life balance.

Why Join Freeform Technology?

- **Cutting-edge projects:** Be part of a team that works on innovative projects at the forefront of advanced manufacturing.
- **Collaborative environment:** Work alongside talented professionals who are passionate about their craft and eager to share knowledge and ideas.
- **Career growth opportunities:** Freeform Technology is committed to fostering the professional development of its employees. We provide training programs and mentorship opportunities to help you excel in your role.
- **State-of-the-art facilities:** Access to modern equipment and tools that enable you to achieve the highest level of craftsmanship.
- **Competitive compensation and benefits package:** We offer a competitive salary, comprehensive health benefits, and other perks to reward your dedication and contributions.

To apply, please submit your CV and a cover letter outlining your relevant experience and why you are interested in joining Freeform Technology. We look forward to reviewing your application and potentially welcoming you to our exceptional team!

Freeform Technology is an equal opportunity employer. We celebrate diversity and are committed to creating an inclusive environment for all employees.
