

Job Title: Quality Inspector at Freeform Technology

Are you ready to join an extraordinary company that pushes the boundaries of innovation and excellence? Look no further! Freeform Technology is seeking a highly skilled and motivated Quality Inspector to become an integral part of our dynamic team. As a world-class leader in cutting-edge manufacturing solutions, we strive to create a work environment that is both inspiring and fulfilling. This is your chance to contribute to groundbreaking projects and make a lasting impact on the industry.

Company Overview:

Freeform Technology is a pioneering company at the forefront of advanced manufacturing technology. We specialize in creating innovative solutions for various industries, including aerospace, automotive, medical, and consumer goods. Our commitment to excellence, coupled with our relentless pursuit of perfection, has earned us a reputation for delivering unparalleled quality and precision. We take immense pride in our work and continuously challenge ourselves to exceed expectations.

Position: Quality Inspector

Job Description:

As a Quality Inspector at Freeform Technology, you will play a vital role in ensuring the highest standards of quality and reliability in our products. You will be responsible for inspecting incoming sub-contract work, in-process components, and finished goods to ensure they meet our stringent quality requirements. Your keen attention to detail and meticulousness will be instrumental in identifying any deviations or non-conformities, enabling us to uphold our reputation as a leader in the industry.

Key Responsibilities:

- Conduct thorough inspections of materials, components, and finished products to ensure compliance with quality standards and specifications.
- Utilize a range of measurement tools and techniques, such as calipers, micrometers, and gauges, to perform accurate and precise inspections.
- Document inspection results, maintaining detailed records of measurements, observations, and deviations.
- Collaborate with cross-functional teams, including engineers, production personnel, and suppliers, to resolve quality-related issues and implement corrective actions.
- Participate in the development and improvement of quality control processes and procedures to enhance efficiency and effectiveness.
- Stay updated on industry best practices and technological advancements, incorporating them into quality inspection methods.

Qualifications and Skills:

- College diploma or equivalent; additional technical education or certifications in quality inspection are preferred.
- Proven experience as a Quality Inspector in a manufacturing or engineering environment.

- Proficient in interpreting technical drawings, specifications, and quality standards.
- Strong knowledge of measurement tools and inspection techniques.
- Detail-oriented with excellent analytical and problem-solving skills.
- Effective communication skills and the ability to work collaboratively in a team-oriented environment.
- Familiarity with quality management systems and continuous improvement methodologies.
- Exceptional time management skills and the ability to prioritize tasks effectively.

Benefits: Freeform Technology is proud to offer a comprehensive benefits package that includes:

- Competitive salary commensurate with experience and expertise.
- Health and dental insurance plans.
- Retirement savings plan with company matching.
- Paid time off and holiday pay.
- Ongoing training and professional development opportunities.
- A supportive and inclusive work environment that values work-life balance.
-

Why Join Freeform Technology?

- **Cutting-edge projects:** Be part of a team that works on innovative projects at the forefront of advanced manufacturing.
- **Collaborative environment:** Work alongside talented professionals who are passionate about their craft and eager to share knowledge and ideas.
- **Career growth opportunities:** Freeform Technology is committed to fostering the professional development of its employees. We provide training programs and mentorship opportunities to help you excel in your role.
- **State-of-the-art facilities:** Access to modern equipment and tools that enable you to achieve the highest level of craftsmanship.
- **Competitive compensation and benefits package:** We offer a competitive salary, comprehensive health benefits, and other perks to reward your dedication and contributions.

If you are ready to take your career to new heights and be a part of a company that is shaping the future of manufacturing, then Freeform Technology is the perfect place for you. Apply today and join

our team of dedicated professionals who are passionate about quality, innovation, and making a difference.

Please submit your CV and a cover letter detailing your experience in quality inspection to enquiries@freeformtechnology.co.uk. We thank all applicants for their interest, but only those selected for an interview will be contacted.

Freeform Technology is an equal opportunity employer. We celebrate diversity and are committed to creating an inclusive environment for all employees.
