

## **Job Title: Trainee Pattern Finisher at Freeform Technology**

Are you passionate about craftsmanship and have a keen eye for detail? Are you seeking a rewarding career where your dexterity and attention to detail can shine? Look no further than Freeform Technology, an industry-leading company at the forefront of pattern finishing innovation. We are currently seeking a talented individual to join our team as a Trainee Pattern Finisher.

**About Freeform Technology:** At Freeform Technology, we pride ourselves on being pioneers in the field of pattern finishing. With a rich heritage spanning over two decades, we have built a reputation for excellence and innovation. Our cutting-edge technologies and state-of-the-art facilities enable us to deliver unparalleled precision and quality to our clients across various industries, including automotive, aerospace, and design.

**Position Overview:** As a Pattern Finisher, you will play a crucial role in the final stages of our pattern production process. You will be responsible for applying finishing touches, ensuring that the patterns meet the highest standards of quality and precision. Your exceptional dexterity and meticulous attention to detail will be essential in achieving flawless results. This is a hands-on role that requires both technical expertise and artistic sensibility.

**Role and Responsibilities:** As a Trainee Pattern Finisher, you will embark on an exciting journey to develop and refine your skills under the guidance of our experienced craftsmen. Your primary responsibilities will include:

- Assisting in the preparation and finishing of intricate patterns with precision and accuracy.
- Learning and applying various techniques and tools to achieve the desired surface quality.
- Collaborating with our skilled team to ensure seamless integration of design specifications.
- Following strict quality control measures to meet the highest industry standards.
- Continuously learning and adapting to emerging trends and technologies in pattern finishing.

### **Qualifications and Skills:**

- Strong dexterity and manual skills, with an ability to work with precision and attention to detail.
- Passion for craftsmanship and an eagerness to learn new techniques.
- Excellent hand-eye coordination and spatial awareness.
- Ability to follow instructions and work effectively as part of a team.
- Good time management skills and the ability to meet deadlines.
- Prior experience or knowledge in pattern finishing or related fields is a plus but not mandatory.

### **What We Offer:**

- **Comprehensive Training:** At Freeform Technology, we believe in nurturing talent. You will receive extensive training from our seasoned professionals, equipping you with the skills and knowledge necessary to excel in your role.
- **Innovative Environment:** Join a dynamic and forward-thinking company where innovation is at the core of everything we do. Explore new techniques, materials, and processes while pushing the boundaries of pattern finishing.

- **Cutting-Edge Facilities:** Work with the latest tools and equipment in our modern, well-equipped facilities. We invest in state-of-the-art technology to ensure you have the best resources at your disposal.
- **Collaborative Culture:** Experience a supportive and collaborative work environment where teamwork is highly valued. You will have the opportunity to learn from experts in the field and work alongside talented individuals who share your passion for craftsmanship.
- **Career Growth Opportunities:** As a Trainee Pattern Finisher, you will have ample opportunities to develop your skills and progress within the company. We believe in recognizing and promoting talent from within our organization.

**Benefits:** Freeform Technology is proud to offer a comprehensive benefits package that includes:

- Competitive salary commensurate with experience and expertise.
- Health and dental insurance plans.
- Retirement savings plan with company matching.
- Paid time off and holiday pay.
- Ongoing training and professional development opportunities.
- A supportive and inclusive work environment that values work-life balance.

### **Why Join Freeform Technology?**

- **Cutting-edge projects:** Be part of a team that works on innovative projects at the forefront of advanced manufacturing.
- **Collaborative environment:** Work alongside talented professionals who are passionate about their craft and eager to share knowledge and ideas.
- **Career growth opportunities:** Freeform Technology is committed to fostering the professional development of its employees. We provide training programs and mentorship opportunities to help you excel in your role.
- **State-of-the-art facilities:** Access to modern equipment and tools that enable you to achieve the highest level of craftsmanship.
- **Competitive compensation and benefits package:** We offer a competitive salary, comprehensive health benefits, and other perks to reward your dedication and contributions.

To apply, please submit your CV and a cover letter highlighting your interest in pattern finishing and how your skills align with this role to [enquiries@freeformtechnology.co.uk](mailto:enquiries@freeformtechnology.co.uk). We look forward to hearing from you and potentially welcoming you to the Freeform Technology family.

**Freeform Technology is an equal opportunity employer. We celebrate diversity and are committed to creating an inclusive environment for all employees.**
